(C) Poloff delivered points contained in reftel to MFA NATO Division official Andreas Kintis April 14. On April 26, Kintis told poloff that, from a policy perspective, the information was useful and positive. Technical experts from MFA's legal department and the Ministry of Defense office responsible for CFE affairs were now going over the points to see if there were other questions that needed to be addressed. He noted that the April 15-23 Orthodox Easter celebrations in Greece affected the pace of this review.
